The Philosopher's Guide To Time Travel

👁 40 ✓ 3 ★ 3

Chapter 1 by Cat4055

Every since I watch the Return Of The Cutie, from My Little Pony, I've been wondering about time travel. So, in the first time travel MLP episode, the same thing happened again and again and it was like a space-time bubble. But then on the Return Of The Cutie, something different every time they went back in time then to the future. So... would it be a different spell, or what? Maybe the TARDIS is just messing with them. Or perhaps it was always MEANT to happen and fate's just screwing with them.

Chapter 2 by Bad Luck

Oh talking about fate... There is a cat in the land of cats called fate too... Does she and this event have anything in common???
